is granted authorization according to Oeko-Tex Standard 100 to use the Oeko-Tex mark, based on our **test report 2008AN7958**

for the following articles:

"Digitally printed cotton and cotton/polyester fabrics" (The present certificate will only be valid if the referred textiles have been previously certified following the Öko-Tex Standard 100 requirements)

The results of the inspection made according to Oeko-Tex Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 31.10.2009
